Stylish and powerful: the Snom D815W

The Snom D815W is an excellent option for everyday use in any office environment. With its elegant design, two USB ports, integrated WLAN and a total of ten SmartLabel keys, it offers a wide range of possibilities. The outstanding feature of the D815W is its large 5-inch display, which enables good

presentation and clarity. The audio quality meets the high standards that apply to all Snom IP devices. The Snom D815W thus combines an elegant design and first-class performance at an unbeatable price.
